

STITCHIN'SPIRATION A COLORFUL WORLD OF BLACKWORK

Simply Color is a series that gives you FULL control over your colors! These images are just examples of all the combinations of color you can come up with through our thread palettes. Take these as inspiration for your projects! Pick a thread palette, and pick a design!

Share your stitch designs!

On Instagram tag your design **#stitchinspiration** and **#sissimplycolor**, and show off how you're using color in your needlework projects!
